AIS/Data Trace Examination Services

AIS, Hyper Abstract and Richmond Examiners remain committed to meeting the challenging demands of today's market. We are pleased to announce that our ongoing efforts to offer "One Stop Shopping" have been successful!

Effective April 2010, the Hyper-Abstract and Richmond Examiners groups have merged their talents and resources and will no longer be known by their individual names. These knowledgeable and experienced colleagues have assumed the name of **Abstracters' Information Service** and the groups will collectively be known as "**Examination Services.**"

The new group phone/fax numbers and email address are listed below and are now operational:

New Examination Services phone: 516-918-4776

New Examination Services fax: 516-918-4548

New Examination Services email address: aisexams@nydata.com

We anticipate a period of transition for clients to become familiar with the new contact information – formerly used phone/fax/email addresses will remain in service for approximately 60 days and will "rollover". There will be no disruption to the excellent level of service you have come to expect from us. Your established customer service contacts will maintain their direct lines and individual email addresses.

As previously announced, the statewide **Recording Services** phone number is **516-918-4727** and the email address is **RecordingServices@nydata.com**.

AIS remains vigilant in its efforts to identify problems, build solutions and report the information that will best serve the title industry.

Thank you for your continued interest in AIS products and services. We value your business and loyalty!
